## KAP launches candidate for Herbert - Nanette Radeck

KAP Leader and Federal member for Kennedy, Bob Katter was joined today in Townsville by Robbie Katter, state member for Traeger, Shane Knuth, state member for Hill and Nick Dametto, state member for Hinchinbrook to officially launch the Katter's Australian Party candidate for Herbert, Nanette Radeck.

Nanette, born and raised in North Queensland, is a high school teacher with decades of experience in education. She is also a mother of three adult boys, and is running because she wants Townsville to have a brighter future for her family and her students.

Nanette will be campaigning for affordable water and energy for North Queensland and the creation of jobs and infrastructure to provide more opportunity for young people and families in the Townsville region.

Nanette believes it is time for Townsville to be represented by North Queensland's party, not the Brisbane-based major parties that have failed Townsville in the past.

KAP welcomes Nanette to the team, our time is now!
